

BUSINESS PARTNER PROGRAM

The UW School of Dentistry relies on the annual contributions from our many Business Partners to support our students, faculty, and programs. In turn, we encourage our alumni and friends to support these organizations that give so generously to our School.

ASI Medical. Inc.

PRIMARY CONTACT: Breanna Erickson
PHONE NUMBER: 303-766-3646
EMAIL: breanna@asidental.com

Our modular panel design allows the dental delivery system to be custom configured with the instrument types you desire. Not only do the modular panels allow you to stay on track with advancing techniques and evolving instrumentation, but they also permit on site replacement and upgradeability of each instrument. Invest in technology that is customizable with flexible designs to meet different treatment room requirements, delivery styles and ambidextrous needs.

Big Sky Northwest

PRIMARY CONTACT: Dustin Long
PHONE NUMBER: 206-259-0936
EMAIL: dlong@bigskynorthwest.com

Big Sky Northwest is the leader in dental construction. We assist our clients with finding the right space, establishing budgets, designing your office, funding support, and equipping with the newest and latest technologies.

Brasseler USA

PRIMARY CONTACT: Rich Gates
PHONE NUMBER: 206-920-7420
EMAIL: richgates@brasselerusa.com

For over 45 years, Brasseler USA has arisen as an innovative market leader in restorative and endodontic procedural systems. Today, Brasseler offers one of the most comprehensive assortments of instrumentation available under one brand: diamonds, carbides, polishers, file systems, hand instruments, and handpieces, microlaser technology and digital x-ray sensors. With more than 15,000 products to choose from, all made from exacting standards, we are confident we have procedural and instrumentation solutions clinicians can trust to provide the performance they need.

Columbia Bank

PRIMARY CONTACT: Lynne Nelson, SVP, BDO
PHONE NUMBER: 206-584-9587
EMAIL: ljnelson@columbiabank.com

The Columbia Healthcare Banking team works solely with healthcare professionals. Our goal is to assist dental professionals in remaining independent and navigating their industry's unique challenges. We provide education, resources, and financial solutions to help sustain their independence while building strong and successful practices emphasizing patient-centered care. We assist with everything from practice start-ups to established practice acquisitions, structured buy-ins, debt restructuring, expansions, commercial real estate builds, purchases, remodels, and refinancing.

PHONE NUMBER: 206-979-2660
EMAIL: rod@omni-pg.com

OMNI Practice Group was founded in 2004 with the mission of providing exceptional dental practice transition and real estate services that are personalized to meet the goals of the healthcare professionals that we serve. Once we discover what you want or need, we create a tailored transition plan or consulting program designed to achieve results. Our team has over 100 years of combined experience in finding the perfect match for buyers and sellers

Orasoptic

PRIMARY CONTACT: Alyssa Howell
PHONE NUMBER: 206-643-6916
EMAIL: alyssa.howell@orasoptic.com

Orasoptic is a company that is dedicated to innovation; helping clinicians improve their vision while maintaining ergonomics that will allow them to extend the life of their career. We are the only company with a frame that includes a headlight system in the frame allowing one to use a cordless system that is ergonomic. Our TruColor headlight system includes technology that reduces eye fatigue and improves light accuracy.

Pacific Dental Services

PRIMARY CONTACT: Sy Barker (*University & School Relations Specialist*)
PHONE NUMBER: 856-912-5422
EMAIL: barkers@pacden.com

Pacific Dental Services (PDS) is one of the country's leading dental support organizations, with approximately 900 supported dental practices across the United States. Its unique business model enables dentists to own their dental practice and empowers them to focus exclusively on patient care while PDS remains focused on the business aspects of the practice. PDS calls this their Private Practice +® model. In addition to the business support provided by the organization, PDS-supported clinicians are equipped with the latest proven technology, the best operational practices and procedures, highly skilled support staff, and a commitment to ongoing training and education.
