Orasoptic is a company that is dedicated to innovation; helping clinicians improve their vision while maintaining ergonomics that will allow them to extend the life of their career. We are the only company with a frame that includes a headlight system in the frame allowing one to use a cordless system that is ergonomic. Our TruColor headlight system includes technology that reduces eye fatigue and improves light accuracy. A little bit about me...I was born and raised in Issaquah, WA and went to school at University of Arizona. Go Cats! That said, I am all in for the Pac-12 so Go Dawgs unless they are playing my beloved Cats.
