

# How to take a Relias training that doesn't launch

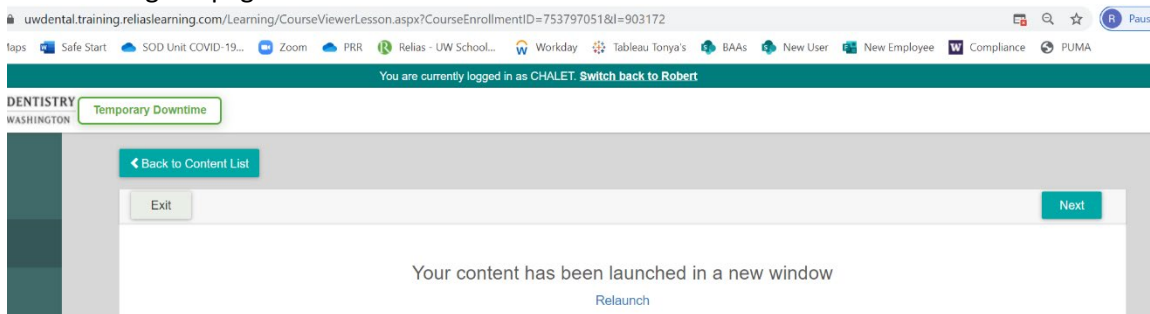

Start by logging into your Relias account. You will be at the Dashboard. Click on the Take Now button for your assignment.

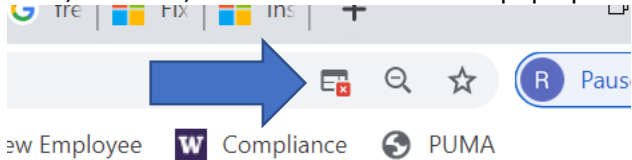

Then click on the green "Start" or the blue "Review" button.

You should get a page that looks like this:

Note, however, that a lot of the time our pop-up blockers block this launch:

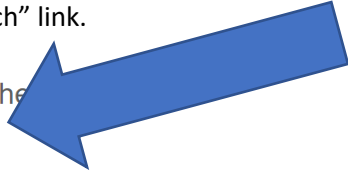

# How to take a Relias training that doesn't launch

So, click on the "Relaunch" link.

Content has been launched

[Relaunch](#)

That should launch the new window:

Home > Training > COVID-19 Safety Training: Back to the Workplace

**Training**

- Search All Courses
- Training Course Selection Guides
- My Training Records And Course Registrations
- Office Of Research Required Training
- UW Facilities Training

### COVID-19 Safety Training: Back to the Workplace

Duration: 30 minutes  
Required: Yes  
Frequency: Prior to or upon returning to work on-site at a University work location  
Course mode: Online

[LAUNCH COURSE NOW](#)

Currently, the Back to the Workplace training has technical difficulties when viewed on an iPhone. Please

Then follow the prompts to take the training. Note that the external site (in this case it's EH&S) may have its own quiz and certificate. **You still need to return to Relias and take the "Final Exam" to record your completion.**

### COVID-19 Safety Training: Back to the Workplace (UWSOD)
