

Head & Neck Cancer Webinar Series: Oropharyngeal Cancer and the Unknown Primary: An Update on Management

Drs. Neil Punjwani, Neal Futran, Jay Liao, Upendra Parvathaneni, Emily Marchiano, Brittany Barber and Cristina Rodriguez (Not pictured: Dr. Rocco Ferrandino)

Join Fred Hutch Cancer Center for the first Head & Neck Webinar series! During this virtual event, learners will have the opportunity to receive a brief update on management of oropharyngeal cancer and the unknown primary from a multidisciplinary team. We will discuss robotic surgery, proton therapy, new guidelines for unknown primary workup, liquid biopsy and clinical trial results.

Accreditation

The University of Washington is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.

The University of Washington is a member of the Association for Continuing Dental Education. University of Washington designates this activity for 1.5 continuing education credits.
