DVD & FLIP CHART: “LIFT the LIP”

How to Check Infant and Toddler Teeth

The descriptive video and flip chart show parents and WIC staff how to conduct a brief screening of infant and toddler’s teeth. Both educational tools demonstrate how to position the child for the dental screening and show examples of how undetected decay can progress to baby bottle tooth decay. The one-concept video and flip chart were developed by the School of Dentistry at the University of Washington, Seattle, WA. “Lift the Lip” is available in English (4:20 minutes), Spanish “Levantar el Labio” (4:58 minutes), Russian (4:27 minutes) and Vietnamese (4:20 minutes).

COST:

DVD: \$ 19.00/ first video \$ 14.00/each additional video

Flip chart: \$ 21.00/each flip chart

(Plus 9.5% tax for WA residents)

(Additional Cost for Shipping and Handling - please contact our office to get shipping prices for your location)
