UW DENTAL ACADEMY

Are you a high schooler interested in a career in Oral Health Professions?

🦷 **Explore Dentistry for FREE with Dental Academy On UW Campus!** ✨

Join us for 3 engaging sessions packed with hands-on learning about a career in oral health! Discover the skills needed to become a part of the oral healthcare team, whether as a *dental hygienist*, *dental lab technician*, *dental assistant* or *dentist*! Designed for high school students, this is your chance to dive into the world of oral healthcare.

The deadline has been extended! Applications due by Sunday, December 22nd at 11:59 PM!

**some travel assistance may be provided*
