

Research Day 2017

UNIVERSITY OF WASHINGTON · SCHOOL OF DENTISTRY

Tuesday, January 31, 2017

8:15 AM – 12:30 PM

“Drugs in Dentistry”

Keynote speaker: Dr. Gary Franklin

**Research Professor, Department of Environmental and
Occupational Health Sciences and Department of Medicine (Neurology)
Adjunct Research Professor, Department of Health Services
Medical Director, Washington State Department of Labor and Industries**

The keynote address will be followed by presentations by UW faculty:

- Natasha Flake, DDS, MSD, PhD, Associate Professor of Endodontics, will present her research regarding local anesthetic efficacy in marijuana users.
- Chris Hague, PhD, Associate Professor of Pharmacology, will present his research related to developing an app for assessing drug-drug interactions.
- Travis Nelson, DDS, MSD, MPH, Clinical Associate Professor of Pediatric Dentistry, will present his research regarding child temperament and its relationship to pediatric sedation and analgesia.

All faculty, students and staff are encouraged to attend and participate.

- CDE credit will be available for Research Day attendance
- OKU is providing cash prizes for the winners of the Dental Student Research Competition
- Seattle Section, AADR will be awarding a cash prize for the best graduate student poster

The event will consist of two parts – the first a series of oral presentations, the second a poster session.

The first session will run from 8:15 a.m. – 10:50 a.m. in the HUB 250,
a poster session will follow from 11:00 a.m. – 12:30 p.m in the HUB 332.

**Dental students in summer programs will be presenting their research at the poster session.
Faculty and graduate students are also encouraged to present posters.**

Entry forms for presenters, including poster abstracts, are due no later than **Wednesday, January 11, 2017.**
