Email:

What are your interests as they relate to the kind of research position you are seeking?

What skills or previous training can you bring to a research setting?

Are you open to volunteer positions or are you seeking a paid position?

Do you need to receive academic credit for this position?

For more information on research in the UW School of Dentistry, please visit the Office of Research web site: <http://depts.washington.edu/dentres>

The research projects and publications of the individual School of Dentistry researchers can be found in the 'Research Information and Policies' section, and information about training programs in various departments can be found in the 'Training' section.

Thank you for your interest in the UW School of Dentistry.
